NeoHabitat Controls

For more in depth discussion on how to interact with objects in Habitat, please refer to the [Avatar Handbook](#)

Movement
- Numpad 8 – Up
- Numpad 4 – Left
- Numpad 6 – Right
- Numpad 2 – Down
- Right CTRL – Fire
- Left CTRL – Tab (Used for Gesture keys)

Interaction
- Right CTRL + Numpad 8 – GO
- Right CTRL + Numpad 4 – PUT
- Right CTRL + Numpad 6 – GET
- Right CTRL + Numpad 2 – DO

Function Keys
- F1 - Become a Ghost or an Avatar
- F3/F4 - Who is online?
- F5/F6 - Info about the Server
- F7 - Help Key. Move the cursor over an object and press this button for information about it. If you do this to another avatar, it will tell you their name. For privacy reasons, it will also tell that avatar your name.
- F8 - General tips on how to use Habitat
